

Basket of Hope gives hope to children diagnosed with cancer or other serious illness at Arkansas Children's Hospital, St. Vincent Hospital and Baptist Hospital. Our baskets are for children from birth through 15 years of age. Each basket is filled with inspirational items and age appropriate toys/gifts which is hand delivered by caring volunteers in our community. Families

are offered ongoing support through trained volunteers who call them periodically to listen to their needs and prayer requests.

We have been averaging 5-10 baskets a week which has stretched our resources in several ways. So we need your help with the following:
