

CHRIST LUTHERAN SCHOOL

Acceptable Use Policy

Christ Lutheran School provides technology for educational purposes and it is to be used in ways that exhibit Christ-like behavior reflecting Christian values and teaching. Students are expected to exhibit respect and responsibility and to adhere to the rules listed below.

Technology Rules

1. Students will use technology only for educational purposes.
2. Students will use technology only with a teacher's permission.
3. Students will not use technology for any illegal activities.
4. Students will not violate copyright laws or plagiarize.
5. Students will not use technology to harm other people.
6. Students will not use technology to display or transmit any disrespectful or inappropriate language, messages or pictures.
7. Students will not use technology to participate in gambling, interactive gaming, or online surveys.
8. Students will not purchase products using the network.
9. Students will not download anything or install any software without permission.
10. Students will not give out any personal information such as name, address, phone number, school name, schedule, etc.
11. Students will not give out their password.
12. Students will not access other people's folders or documents.
13. Students will not change any system settings.
14. Students will not damage technology equipment.

Student Agreement

I have read and agree to follow the Christ Lutheran School Acceptable Use Policy and I understand that violation of this policy may result in temporary or permanent loss of computer/internet privileges as well as additional disciplinary action in accordance with the Christian discipline policy in the Christ Lutheran School Family Handbook.

CHRIST LUTHERAN SCHOOL

Acceptable Use Policy

Parent Agreement

As the parent or legal guardian of the student signing above, I have read, understand, and accept the Christ Lutheran School Acceptable Use Policy and the consequences for violating this policy as stated above. I have reviewed this policy with my child and I grant permission for him/her to have access to the technology at Christ Lutheran School. I agree that my child will follow the Acceptable Use Policy and violation of this policy will result in the consequences listed above. I further agree to hold harmless and release Christ Lutheran School, its personnel and any institutions with which it is affiliated from any claims or damages of any kind arising from my students use, unauthorized use, improper use, or inability to use the technology at Christ Lutheran School.
