

**“Train up a child in the way he should go; even when he is old he will not depart from it” Proverbs 22:6**

Dear Parents,

This year Christ Lutheran is offering a summer camp providing your children a place to grow, play and learn about Christ in a safe and loving environment. We have lots of activities planned for this summer including twice weekly swimming, field trips, organized sports and games, arts and crafts, guest speakers and fun educational experiments! We even have some water days planned on campus for our preschool and kindergarteners.

Camp Falcon is available for children ages 4 years (preschool) through completion of 6<sup>th</sup> grade. This year camp takes place for 9 weeks out of the summer starting Monday June 8<sup>th</sup> and ending Friday August 7<sup>th</sup>. Hours of camp will be 7am-6pm. The one week break between the end of the school year and the beginning of camp will allow the CLS teachers time to close their classrooms and for us to set up Camp Falcon. We ask all who sign up for camp make a commitment to 8 out of the 9 weeks 3-5 days a week.

If you are interested in your child attending Camp Falcon we have information packets available in the school office or online (click the link to Summer Day Camp at [http://www.clutheran.org/CLC\\_School\\_Main1.htm](http://www.clutheran.org/CLC_School_Main1.htm)). If you have any further questions please don't hesitate to contact me at [atharel@clutheran.org](mailto:atharel@clutheran.org). We look forward to working with your children here at Christ Lutheran School's Camp Falcon!

Sincerely,  
Abby Tharel  
Camp Falcon Director
