At camp your child will have the opportunity to participate in a variety of activities. Children are grouped according to the GRADE JUST COMPLETED. Group activities are planned during the hours of 9am-3pm including religious activities, summer reading, arts and crafts, games, field trips, guest speakers, etc.

*Note: If you would like your child to participate in a scheduled field trip, they must be at Christ Lutheran School BEFORE the bus leaves. This is for your child's safety and to lessen the confusion that occurs when the child is delivered to the field trip site. You will be notified a week in advance of the field trip and times.
